Joyous Living!

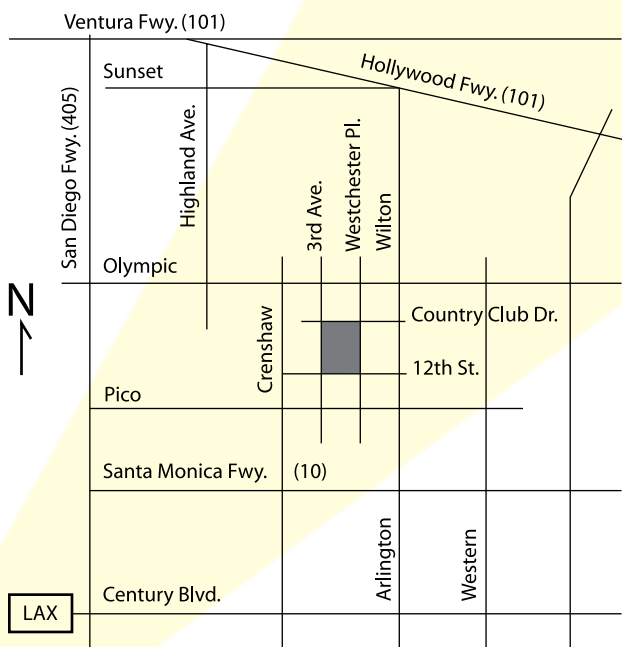

Join us: Saturday, June 7th, 9 am to 5 pm

A symposium to discuss the concept of truth coordination for daily practical application to enhance our experience of life, from several different religious philosophies – all with their many commonalities.

"My soul is filled with content, and my heart overflows with the bliss of peaceful trust. I have no fear; I am free from anxiety. I dwell in security, and my enemies cannot alarm me. I am satisfied with the fruits of my confidence. I have found the approach to the Immortal easy of access. I pray for faith to sustain me on the long journey; I know that faith from beyond will not fail me."
